ISRA case # E20010335
RE: Bill Friedman's call to me on Jan., 11, 2006

Jay: I just reviewed the most recent Unimatic case files.

Per my telephone conversation with Bill Friedman earlier today, he told me that he will call you to expedite the review of an RIW dated 9/9/05 and RIR dated 9/12/05. On July 20, 2005, we mailed a certified letter to him and informed him that he needs to send us a RIR/RIW. Mr. Friedman stated that he did not receive our 7/20/05 letter. However, I have the return receipt from the post office. Mr. Friedman stated that he only received a letter from us regarding a schedule. On 8/23/05, we mailed a certified letter to him stating that the revised schedule is unacceptable. On 10/19/05, we mailed a certified letter to him stating that the schedule included in the 9/9/05 RIW is unacceptable. On 11/16/05, GZA sent a letter to us that they can't send a schedule to us until the NJDEP approves their RIR and RIW.

Also, Mr. Friedman stated that the meeting he had with us on Jan. 20, '05 hindered their progress, and slowed the RI. Unimatic sent us an RIR dated Jan. 28, '05 that was referred to support (TC and geo). To date, no memos from Bill Han.

Please let me know if you need any further information.
Thanks, Gene
